

YPAS Personalized Program Ads

This year you have the opportunity to purchase personalized program ads in the *Mamma Mia!* program. Just pick the size of the ad you would like to purchase and add a personalized message and/or photo. Our Materials Production gurus will make the ad look good (better than my samples on the back.) You may also purchase an ad in this program to promote a business. Simply complete the form below and submit to Ms. Case at YPAS, along with payment. Then, if you want any photos or ad logos included, email them to melissa.case@jefferson.kyschools.us with your student's name included in the email (please note all photos and logos will be converted to black and white.) All money collected goes towards printing costs of the programs and any remainder will be put into the productions budget, giving us an opportunity to make our shows even better!
