

Notes:

- Center image on page
- Photo tape on BACK to secure
- remove any white border
- TYPE YOUR LABELS, all must be cut *perfectly!*
- Label placement is up to you, but be consistent throughout
- Don't make anything permanent, so you can adjust later
- Only one image per black sheet (do not put one on front and back) Ask us for additional black sheets.
- If you are showing 2 photos they must be in the same orientation
